

**13th ICCM - INTERNATIONAL CONGRESS ON
THE CHEMISTRY OF CEMENT
3-8 July, Madrid**

AWARDS

Best Poster

Title: Quantitative characterization of fly ash reactivity for use in geopolymer cements

Authors: Gustashaw, K. (The University of Texas, USA)
Chancey, R. (Nelson Architectural Engineers, USA)
Stutzman, P. (National Institute of Standards and Technology, USA)
Juenger, M. (The University of Texas, USA)

Best short presentation

Title: Cleavage energy of tricalcium silicate and interactions with amine additives

Authors: Mishra, R, Department of Polymer engineering, University of Akron, USA
Heinz, H., Department of Polymer engineering, University of Akron, USA
Flatt, R. Sika Technology AG, Switzerland

Best oral presentation

Title: The first 24 hours of commercial cement hydration

Authors: De Rooij, M. (The Netherlands Organization for Applied Scientific Research (TNO))
Scher, S. (Delft University of Technology, The Netherlands)
